

# Android TVs/Nvidia Shields

1. Go to the Google Play store
2. Download an app called "Downloader" (orange icon)
3. Open downloader
4. Type in this in the url bar
5. [infinity2.com/infiniq.apk](http://infinity2.com/infiniq.apk)
6. If you get a pop up simply back out and repeat.
7. Once the green icon is clicked you will see "downloading"
8. Once downloaded, it will pop up to install.
9. Install the app.
10. And that's it, you are done and ready to experience the great service on offer!
